Cookies Policy – JCT Learning Hub

Last Updated: 13 November 2026

This Cookies Policy explains how **JCT Learning Hub** ("we", "us", or "our") uses cookies and similar technologies when you visit our website at **www.jctlearninghub.co.uk** (the "Site"). It explains what these technologies are, why we use them, and your rights to control our use of them.

1. What Are Cookies?

Cookies are small text files that are placed on your computer, tablet, or mobile phone when you visit a website. They are widely used to make websites work efficiently, keep them secure, remember your preferences, and provide reporting information to website owners.

2. How We Use Cookies

Our website is hosted on the **Wix.com** platform. When you visit our Site, cookies may be set by Wix (first-party cookies) or by third-party services integrated into our pages (such as embedded booking/enquiry forms or analytics tools).

We categorise the cookies used on our Site into the following groups:

- **Strictly Necessary (Essential) Cookies:** These cookies are required for the basic operation, security, and accessibility of our website. Without them, core functions—such as page navigation, security verification, and submitting enquiry forms—cannot work properly. Under UK law, these cookies do not require your consent, though you can still block them via your browser settings.
- **Functional Cookies:** These cookies allow the website to remember choices you make (such as your preferred region or form entries) to provide a more personal and streamlined experience.
- **Analytics and Performance Cookies:** These cookies help us understand how visitors interact with our website—for example, which subject or service pages are visited most frequently, how visitors found our site, and if any error messages occur. All information collected by these cookies is aggregated and used solely to improve how our website works.
- **Marketing and Social Media Cookies:** If you click through to our social media profiles (such as Facebook) or view embedded media, third-party platforms may set cookies to measure engagement or deliver relevant content. We only activate non-essential analytics and marketing cookies if you explicitly opt in via our cookie banner.

3. Specific Cookies Used on Our Website

Because our website runs on Wix, standard platform cookies are used to ensure stability and security. Below is an overview of the primary cookies you may encounter:

Cookie Name	Provider	Purpose	Duration	Category
XSRF-TOKEN	Wix	Used for security and cross-site request forgery	Session	Strictly Necessary

		protection.		
hs	Wix	Used for security purposes on the Wix platform.	Session	Strictly Necessary
svSession	Wix	Identifies unique visitors and tracks a visitor's sessions on a site.	Persistent (up to 12 months)	Strictly Necessary
SSR-caching	Wix	Indicates the system from which the site was rendered to improve loading speed.	Session	Strictly Necessary
bSession	Wix	Used for system effectiveness measurement and platform stability.	30 minutes	Functional / Analytics
fedops.logger .sessionId	Wix	Measures website stability and technical performance.	12 months	Analytics
consent-policy	Wix	Remembers your cookie banner preferences so you aren't	12 months	Strictly Necessary

		asked repeatedly.		

(Note: If you use external tools linked or embedded on the site—such as Tally.so enquiry forms or Google Analytics—those providers may set their own strictly necessary or analytical cookies in accordance with their respective privacy policies.)

4. Managing Your Cookie Preferences

You have full control over whether to accept or reject non-essential cookies:

- **Via Our Cookie Banner:** When you first visit **www.jctlearninghub.co.uk**, you will see a cookie consent banner allowing you to **Accept All**, **Reject Non-Essential**, or **Customise** your preferences. You can update or withdraw your consent at any time by clicking the **"Cookie Settings"** link in the footer of our website.
- **Via Your Web Browser:** Most web browsers allow you to view, manage, delete, and block cookies through their settings menu. Please note that if you block all cookies (including strictly necessary ones), parts of our website may not display or function properly.

For instructions on managing cookies in popular browsers, visit:

- **Google Chrome:** Settings > Privacy and security > Third-party cookies
- **Apple Safari:** Settings / Preferences > Privacy
- **Microsoft Edge:** Settings > Cookies and site permissions
- **Mozilla Firefox:** Settings > Privacy & Security > Cookies and Site Data

5. Changes to This Cookies Policy

We may update this Cookies Policy from time to time to reflect changes in the technologies we use, updates to our website tools, or changes in UK data protection legislation. Any updates will be posted on this page with a revised "Last Updated" date.

6. Contact Us

If you have any questions about our use of cookies or how we handle your personal data, please contact us:

- **Business Name:** JCT Learning Hub
- **Location:** Dorchester, Dorset, United Kingdom
- **Website:** www.jctlearninghub.co.uk
- **Telephone:** 01305 818058
- **Email:** [Insert your preferred business email address]

Quick Wix Setup Tips for Your Cookie Banner & Preferences

To make sure your Wix site matches this policy and complies with UK PECR rules (which require non-essential cookies to be blocked until a user actively clicks "Accept"):

1. **Enable the Wix Cookie Banner:** In your Wix Dashboard, go to **Settings > Privacy & Cookies > Cookie Consent Banner** and toggle it **On**.
2. **Select the Strict Preset:** Choose the **"GDPR / UK" preset** so non-essential scripts are automatically held back until the visitor opts in, and ensure both **"Accept"** and **"Decline /**

Cookies Policy – JCT Learning Hub

Reject All" buttons are clearly visible at the same level.

3. **Link Your Policy:** Paste the URL of your new Cookies Policy page into the banner's policy link field, and add a **"Cookie Settings"** trigger link in your footer so visitors can reopen the preferences modal anytime.

Would you like the short text copy for the pop-up cookie banner itself, or are you using Google Analytics / Meta Pixel so we can include those specific rows in the table?
